

ARBORIST

10/05/2009

The Louisiana Horticulture Law states that no person shall receive fees, advertise, or solicit business in a regulated profession or occupation unless he holds the appropriate license or permit, or has a regular employee who holds the appropriate license or permit, or is employed by a person who holds the appropriate license or permit. For specifics on what each license or permit authorizes, see Section 3808 of the Horticulture Commission Law. All licensees are required to place at least one of their license numbers on all business related vehicles that have advertisements on them (Section 115 E of regulations).

Arborist License

Authorizes the holder to make recommendations or execute tree surgery type work including tree removal, pruning, trimming, cabling, fertilization and cavity work. Licensees must enter into a written contract with property owners specifying work to be done and sum to be paid. Property owners should ask to see a current copy of the arborist's certificate of insurance.

This list will be updated periodically. If you have any questions, please call (225) 952-8100.
